

# Characteristics of Life

## ...Responding to environment

**What does it mean?**

**Example(s):**

## ...Growth & Change

**What does it mean?**

**Example(s):**

## ...Reproduction

**What does it mean?**

**Example(s):**

## ...Have DNA

**What does it mean?**

**Example(s):**

.....Maintain homeostasis

**What does it mean?**

**Example(s):**

...Built of cells

**What does it mean?**

**Example(s):**

...Use Energy

**What does it mean?**

**Example(s):**
