

SCIENCE Safety Contract

To be a licensed scientist you must abide by the following rules:

I will...

1. follow all directions given by the teacher at all times.
2. not touch materials until given directions to do so.
3. not eat or drink in the lab unless my teacher tells me to.
4. wear safety equipment properly, if instructed to do so.
5. ask questions if I do not understand the directions.
6. know where all safety equipment is located and how to use it.
7. notify the teacher immediately if something breaks or spills.
8. be responsible and not horseplay in the lab.
9. clean up after myself and leave my area clean.

I am aware that I am responsible for practicing safe science in the classroom. If I do not follow the rules, I am aware that there are consequences. I will take responsibility for my own actions in the science classroom and encourage others to do so as well.
